

GET ORGANIZED

With a Real Estate CRM

A real estate contact relationship manager has the tech to get you organized so you can streamline your lead generation with a proven system.

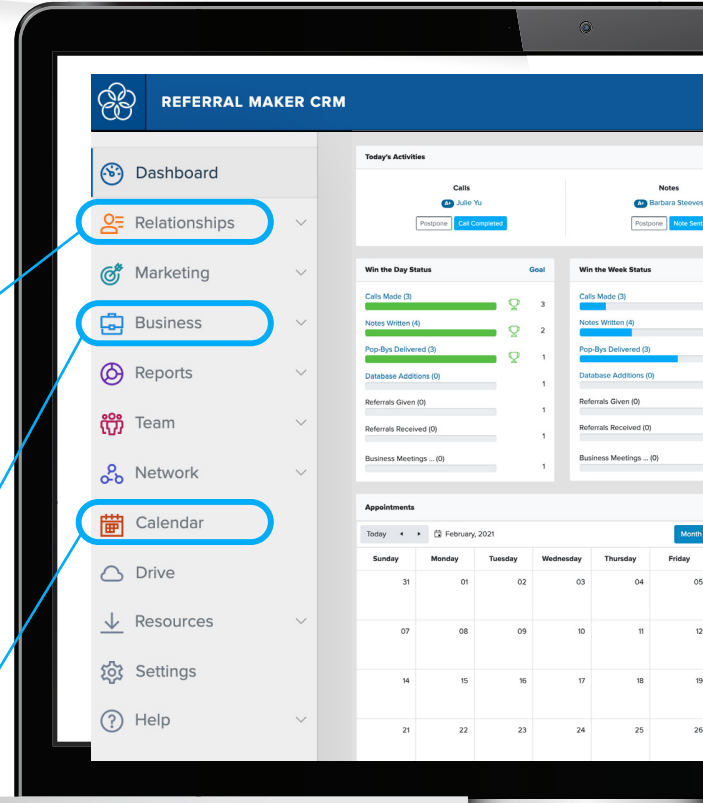

Running a business without a system is tough! No more:

- ~~✗~~ Contacts on your cell phone.
- ~~✗~~ Reminders on sticky notes.
- ~~✗~~ Database in an elaborate, overwhelming spreadsheet.
- ~~✗~~ Sending emails without a strategy.
- ~~✗~~ Stacks of unorganized business cards.
- ~~✗~~ To-do list items scattered across the phone, notebook and computer.

 **Referral Maker® CRM** is a business management and productivity tool that keeps you organized and profitable.

Using a real estate CRM gives you the tools for success in one convenient place.

- ✓ Organize your contact list with room for notes about hobbies, birthdays and fun facts.
- ✓ Log communication with each relationship in the contact.
- ✓ Record your business goals, so you always know where you're headed.
- ✓ Receive customized action steps based on your goals.
- ✓ Track your business expenses.
- ✓ Use the Priority Action Center to know who you need to call and when to help you manage your schedule.
